Subject: NRA lawsuit coverage review

Barry,

I just spoke with Helen Lee from Traveler's regarding their coverage review under our Public Officials liability policy. Helen said that their coverage review is still being done by their legal office so they don't have a determination yet. When they have their review completed, she will contact me via phone and also email both you and me with their determination.

Subject: NRA v. City of Lancaster

Helen,

Sorry I missed your call. I had stepped away from my desk for a few minutes. I had just finished a brief conversation with Barry Handwerger (City solicitor's office) before you called. I'm waiting to speak with Mayor Gray about this also and will give you a call back as soon as I speak with the Mayor.

Thanks,

Patrick

Subject: NRA defense

This is the other item I wanted to follow up on – I got a call from Helen Lee at Travelers that they'll be issuing their coverage letter today (via certified mail) for the defense of the NRA lawsuit. Just wanted to make sure you were aware it's on the way if she hadn't contacted you also.

Subject: Travelers defense letter received

Mayor,

Just wanted to let you know that today we received Travelers' official letter notifying us of their coverage decision in the NRA case and will provide a defense (subject to reservation of rights).

Barry should also have received a copy of the letter today along with the name of the attorney Travelers has assigned to our defense, David MacMain.
