

PETITION FORMS MUST BE PRINTED DOUBLE SIDED!!!

Thank you for helping Josh and Jessica Prince get on the ballot to be YOUR delegate for the 4th Congressional District! Please **read this carefully** to ensure that the petition signing process is done correctly and all signatures can be counted!

First Date to Circulate: January 23rd, 2023

ALL PETITIONS MUST BE TURNED IN: February 8, 2024

Important things to remember **before** collecting signatures:

- **PETITION FORMS MUST BE PRINTED DOUBLE SIDED. TOP-TO-TOP!!!!**
- Petitions must be printed 2-sided on 8 ½ x 11” paper, **head-to-head** (So pages are readable when turned like in a book)
- Use **ONLY** blue or black ballpoint pens to collect signatures.
- You **must be** a registered **Republican in PA** to circulate a petition.
- You can **only** collect signatures from **registered Republicans of the 4th Congressional District** (they can switch their Party affiliation online at “PA Online Voter Registration” and then sign the petition)
- The “statement of circulator” must be signed by the person who is collecting signatures (*i.e.* you).
- Each County has its own petition paper, and the **signer must sign** the petition paper that **matches the county that they are registered** to vote in.
- **N.O. P.O. Boxes are accepted** – signers must use their residential address with street name and number. For example, although our mailing address is 789 Delong Rd., Alburtis Pa 18011, our residential address is 789 Delong Rd., District Township, PA 18011. Signers MUST use their proper residential address. Use the municipality where taxes are paid, if there is any confusion.
- Each signer must fill out the signature line completely. **DO NOT use ditto marks.**
- Nobody is allowed to sign on behalf of another person (this could call ALL signatures on page into question)
- Names should be printed as appears on voter registration card
- Dates of signatures must be in chronological order
- If a mistake is made, you must place a straight line through that entire row and the signer has to start over the next line.
- **DO NOT RETURN PETITIONS IN THE MAIL** - Please contact Jessica Prince at 607-435-9106 for pick up.
